

Photo Ordering Information

Nearly all photos are taken with a Leica M7 camera, a Summicron 35mm aspherical lens, Summicron 50 mm lens, or Elmarit M 90mm lens with Fuji Provia 100 film.

The originals transparencies are scanned with a Tango drum scanner. Please note, that most of the photos have not been scanned with a drum scanner due to the cost. *Any photo purchased that has not been drummed scanned will be drum scanned as part of the purchase price.*

Digital photos are taken with a Leica M262 camera.

All photos are printed on Fuji Super Gloss paper by West Coast Imaging, Oakhurst, California.
